

RJ JULIA BOOKSELLERS

SCHOOL & EDUCATION SERVICES

(203) 245-3959 | books@rjulia.com | rjulia.com

AUTHORS TO SCHOOLS

We bring touring authors and illustrators into schools all over the country, spanning grades pre-K through high school. We work with many fabulous authors including Katherine Applegate, Padma Venkatraman, Nic Stone, Victoria Kann, Sharon Draper, Eva Chen, Stuart Gibbs, Randy Ribay, Brendan Kiely... *to name just a few!* Visit our Authors to Schools calendar at rjulia.com.

IN-SCHOOL and ONLINE BOOK FAIRS

We love partnering with local schools to provide access to in-school or virtual book fairs. We've collected our top picks for kids of all levels and will team up with your faculty and staff to create a fun and successful fair.

SUMMER READING FUNDRAISER

Encourage your students and families to shop at RJ Julia Booksellers or at rjulia.com for all their summer reading. *WHY?* Because your school will receive 10% of all sales generated by summer reading purchases. In addition to receiving 10% of sales back, the top three schools with the highest summer sales total will win \$100, \$75, and \$50 gift cards, respectively. This is a hassle-free, fun, easy fundraiser for your school!

EDUCATORS' EVENTS

Come hear from our booksellers, representatives from major publishers, and education professionals as they share new titles that will get reluctant readers clamoring for more books! Learn how to work titles into your curriculum, how to start a school book club, and more. Educators' events often feature additional discounts, advanced readers' copies, raffles, and prizes!

CURATED SCHOOL LIBRARIES

RJ Julia Booksellers can create collections of specially selected books tailored to your specific needs. Over the years, we've developed long-term relationships with both the largest and lesser-known publishing houses and have our finger on the pulse of "what's out there." With this breadth of knowledge we can create the school library of your dreams!

As your local, independent bookstore, we are flexible and responsive with the goal of meeting each school's specific needs. Contact us today!
